AP Statistics

What should I know about this student?

(any particular interests, challenges or time constraints for this student)

Statement of intent for all students and their parents to sign:

"I have read the course description on the PA Homeschoolers website and many of the student comments about the course, the course requirements and I understand what this course will require from me.

I will work hard all year to learn as much as I can about Statistics. I'm ready to start!!!"

Signed: student _____

Parent _____

Date _____

Provided you are a homeschooled student who has completed Algebra 2 you are automatically accepted into the course. You do not need to wait for my approval into the course. Go ahead and pay your course fee through the PA Homeschoolers Store.

Thank you for your time completing this registration form.
